Defendants.)	

ORDER

The parties have jointly proposed an agreed protective order relating to confidential information. As the proposed order includes no definition or standard for determining what constitutes “confidential information” beyond a party’s subjective, good faith belief that something is confidential, the court concludes the proposed order is inconsistent with the public nature of legal proceedings. The motion [Doc. #16] is therefore **DENIED**. A motion seeking a more limited order may be re-urged.

IT IS SO ORDERED.

Dated this 6th day of February, 2007.

UNITED STATES DISTRICT JUDGE
